

Compare the Value

As you consider the lifestyle advantages of moving to Parkville Manor, it may help to compare the cost of living at Parkville to the cost of living in your own home. You may be surprised to learn that, at a cost that is comparable to what you spend now to live in your home, you can move into Parkville Manor and enjoy maintenance free living and other desirable benefits.

The 'Compare the Value' worksheet helps you compare your current monthly expenses with the monthly costs living in our retirement community. Joining our community and experiencing overall health and well being is an affordable option that is definitely worth considering!

You may be surprised at the value of living in our **Parkville Retirement Community!**
